02 / PROGRAM

One onboarding week followed by 30 tracking days across Health, Relationships, Career, Money and Spirituality. Includes a personalized plan, assigned resources, four daily check-ins and ten 20-minute calls on Days 3, 6, 9, 12, 15, 18, 21, 24, 27 and 30. Onboarding includes a separate 30-minute plan walkthrough.

03 / PAYMENTS & START

CAD 150 deposit at enrollment; CAD 350 after the walkthrough. Plan preparation takes three business days after completed onboarding answers are received. Tracking begins the day after balance payment is verified, in the agreed time zone.

04 / DEPOSIT & COMPLETION

Proposed condition: the CAD 150 deposit is refundable upon achieving 95% completion; below 95% it is not refunded, subject to applicable law. The commitments counted, calculation, adaptations, refund timing, early cancellation and termination treatment must be finalized before signature.

05 / PARTICIPATION

The Client chooses work blocks, follows agreed commitments and reports honestly. Reviews consider incomplete actions and relevant circumstances. Agreed health adaptations and recovery are not automatically non-adherence.

06 / REMOVAL & RE-ENTRY

Warning thresholds, notice, removal conditions and payment effects remain to be agreed in writing. Proposed re-entry requires seven consecutive days of independent agreed tasks with manual reporting and Coach review. Future enrollment after renewed non-adherence is subject to final terms.

07 / SCOPE & PRIVACY

Coaching is educational, not medical or mental-health treatment, legal advice or financial advice. No specific result is guaranteed. Personal information and any AI processing are subject to a privacy notice and informed consent.

08 / CANCELLATION & FINAL APPROVAL

Cancellation, refund and rescheduling terms require completion and review for applicable consumer rights. This working draft is not approved for signature, payment collection or enrollment.
